

ADAM LEE

adamjlee.github.io | adam.lee@upf.edu | adamjlee@gmail.com

CURRENT APPOINTMENTS

2026 - **Assistant Professor**, *Department of Economics & Business, Universitat Pompeu Fabra*
2026 - **Affiliated Professor**, *Barcelona School of Economics*

PREVIOUS APPOINTMENTS

2022- 2026 **Assistant Professor**, *Department of Data Science & Analytics, BI Norwegian Business School*

EDUCATION

2018 - 2022 **Ph.D. in Economics**, *Universitat Pompeu Fabra*
Essays on statistical inference in non-regular semiparametric models
Advisor: Geert Mesters
Committee: Juan Carlos Escanciano, Kirill Evdokimov & Majid Al-Sadoon
2016 - 2017 **MRes in Economics, Finance and Management**, *Universitat Pompeu Fabra*
2015 - 2016 **M.Sc. in Economics and Finance**, *Barcelona School of Economics*
2009 - 2013 **B.Sc. in Economics**, *University of Bath*

RESEARCH INTERESTS

Econometrics & Statistics
– limit experiments; semiparametric models; weak identification; non-regular models; time series

PUBLISHED & ACCEPTED PAPERS

- [1] [Locally Robust Inference for Non-Gaussian Linear Simultaneous Equations Models](#) *with G. Mesters*, Journal of Econometrics, *Volume 240, Issue 1*, 105647, 2024

- [2] [Locally Robust Inference for Non-Gaussian SVAR models](#) *with L. Hoesch and G. Mesters*, Quantitative Economics, *15*: 523 – 570, 2024

- [3] [Robust Estimation and Inference for Time-Varying Unconditional Volatility](#) *with G. Sucarrat and R. Sandberg*, *Accepted at* Journal of Time Series Analysis, 2026+

WORKING PAPERS

- [4] [Locally Regular and Efficient Tests For Non-Regular Semiparametric Models](#), *Submitted*

Previously titled: “Robust and efficient inference for non-regular semiparametric models”

- [5] [Semiparametrics via parametrics and contiguity](#) *with E. A. Stoltenberg and P. A. Mykland*, *Revise & Resubmit at* Annals of Statistics

TEACHING

2022-2026	BI Norwegian Business School • Advanced Statistics and Alternative Data Types (MSc) • Excel Automation and Programming (BSc)
2025	Universitat Pompeu Fabra • Advanced Econometric Methods III (PhD)

PROFESSIONAL ACTIVITIES

- Presentations*
- 2026: UPF, UC3M, UAB, Workshop in Time Series Econometrics (Zaragoza)
EAYE Annual Meeting (EHU / UPV)
- 2025: UC3M, Financial Econometrics BCN (UPF), EAYE Annual Meeting (King's College London), Gothenburg Workshop in Econometrics & Statistics, Aarhus, Sciences Po, EWMES (Cyprus), SAEe (UAB)
- 2024: Microeconometrics Class of 2022 & 2023 Workshop (Duke), EAYE Annual Meeting (PSE), UCL, IMS Statistics and Data Science (Nice)
- 2023: IAAE Annual Conference (BI Norwegian Business School), EAYE Annual Meeting (Collegio Carlo Alberto), University of Oslo (Statistics & Data Science), CFE-CMStatistics (HTW Berlin)
- 2022: University of Surrey, BI Norwegian Business School, Toulouse School of Economics, Duke University, Erasmus University Rotterdam (Econometric Institute), University of Liverpool, Western University, Workshop in Time Series Econometrics (Zaragoza), Spring Meeting of Young Economists (Orléans), Data Analytics for Business Workshop (Verona), Advances in Econometrics (BSE Summer Forum), EEA/ESEM (Bocconi), SAEe (València), CFE-CMStatistics (King's College London)
- 2021: Barcelona GSE Jamboree (Online), SAEe (Barcelona), SNDE Workshop for Young Researchers (Online)
- 2020: Barcelona GSE Jamboree (Online), EC² (Online, Poster)
- Refereeing*
- Annals of Statistics, Biometrika, Journal of Econometrics, Quantitative Economics, Journal of Applied Econometrics, Journal of Business and Economic Statistics, Annals of Applied Statistics, SERIES
- Service*
- European Association of Young Economists (EAYE):
- President (2026 –)
 - Co-President (2024 – 2026)
 - Board Member (2023 –)
 - Program Committee for EAYE Annual Meeting (2023 –);
- Dept. Data Science & Analytics, BI Norwegian:
- Seminar organisation (2025 – 2026)

AWARDS & SCHOLARSHIPS

<i>2022</i>	Best paper award at the 2022 Spring Meeting of Young Economists for “Robust and efficient inference for non-regular semiparametric models”
<i>2021</i>	SNDE Young Scholars Award , for the best paper presented at the 2021 SNDE Workshop for Young Researchers for “Robust and efficient inference for non-regular semiparametric models”
<i>2015</i>	Full fee-waiver, Barcelona GSE.
<i>2013</i>	Neil Farmery Prize for “outstanding work in quantitative economics”, University of Bath.

OTHER EMPLOYMENT

<i>2017-18</i>	Senior Research Specialist	Princeton University
<i>2013-15</i>	Assistant Economist	HM Treasury, UK
<i>2011-12</i>	Economist (Intern)	UBS Global Asset Management, UK
